Summary

A dedicated Computer Engineering student at the College of Engineering Kidangoor, with a strong passion for technology and continuous learning.

I have a versatile skill set that includes proficiency in programming languages such as C, C++, Java, HTML, and CSS. Beyond coding, I excel in time management, leadership, and team collaboration, skills honed through active participation in various projects and extracurricular activities.Having a position in the Membership Development team in IEEE SB CEK
My interests extend to cybersecurity and UI/UX design, where I combine technical expertise with creative problem-solving to develop user-friendly solutions.

I thrive in dynamic environments and actively participate in events, workshops, and hackathons to expand my knowledge and network with industry peers.

Outside of academics, I enjoy exploring new places and cultures, finding inspiration for innovation and personal growth.

Let's connect to share insights, collaborate on exciting projects, and leverage technology to drive positive change!
